COURTHOUSE TO REMAIN OPEN FOR TWO SATURDAYS

The Coffee County Courthouses in both Elba and Enterprise will remain open the first two Saturdays in November for the convenience of cartage buyers, according to Probate Judge James L. Sawyer.

Sawyer noted that the deadline for buying cartage is November 15 and that following several requests, he, Tax Assessor Fred Donaldson and Tax Collector decided it would be in the best interest of the public if their offices remained open on those two Saturday mornings.

STATE'S POULTRY INSPECTION PLAN MEETS REQUIREMENTS

Alabama's poultry inspection program has been certified equal to the federal program, under provisions of the Poultry Products Inspection Act, says Wilson Lee, Extension poultry marketing specialist.

As a result of being certified, Alabama is responsible for inspecting poultry slaughter and processing plants doing business wholly within its boundaries. This certification also affects 10 intrastate plants now operating in Alabama.

To earn poultry inspection equality, Alabama had to develop a law and regulations, financing and staffing, as well as actual inspection, that matched the federal program conducted by the Consumer and Marketing Service, adds the specialist. Half of Alabama's budget for poultry inspection comes from matching funds supplied by this U. S. Department of Agriculture agency.

Lee says that a total of 30 states have had their poultry programs certified equal to federal inspection.

Elba Band Receives High Ratings At Troy

The Elba High School Band competed in the Southeastern States Marching Contest in Troy on Saturday, October 30th and earned high ratings in four categories. They were one of only eight bands to receive these top honors. There were sixty bands in the competition.

Band Director Bill Hickman was elated that his band had received "one" or excellent in all four judging categories, the band (marching and playing); the color guard which includes all flag bearers and rifles; the drum major; and the majorettes. Five of the eight bands receiving such high ratings came from the larger high schools in the state.

Bands receiving the top (1) ratings were presented trophies by Troy State Band Director Johnny Long. Accepting the trophies for the Elba band were band president Jane Kidd, head majorette Gwendolyn Galimore, drum major Courtney Cannon and color guard captain Deborah Bludworth.

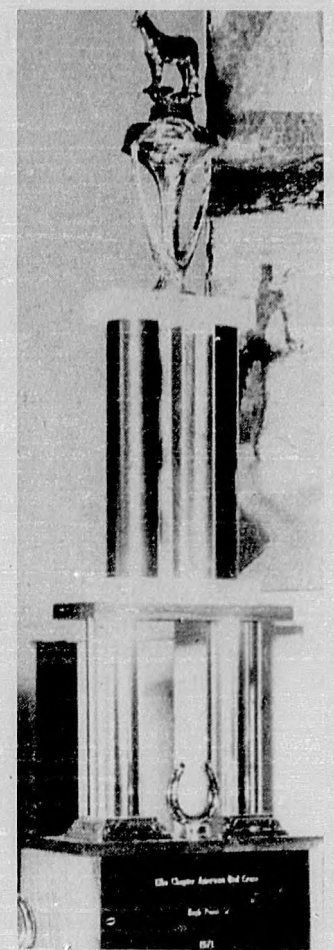

Following the excellent performance of the Elba band in Troy, an invitation was extended to them to perform in the Peach Bowl Marching Contest in Atlanta during the week after Christmas. This event would begin on Monday December 27th and could ex-

Police Chief Urges Donation Of Toys

Police Chief Jack Smart reminded local citizens of the annual used toy drive being conducted by the police department again this year. Smart said the time was drawing close for ending the receipt of toys to be repaired. These toys are required by Fr. Rucker personnel and returned to the community for distribution to needy children by the police department.

A barbeque for the Pine Level Cemetery is scheduled for this Saturday night, November, serving will begin at 7:30 p.m. at the Pine Level Community Center.

Halloween Carnival Is Big Success

The Halloween Carnival, for children grades one through six, which was held Thursday night, October 28 in the Elba Elementary School was well attended. Receipts were approximately \$800.00. After expenses, which included weiners, rolls, cokes and novelties for the fish pond and bowling alley are paid, the approximately \$600.00 remaining will be divided on a per pupil basis among the Pre-School, Elementary and Middle School.

A committee from the Halloween Carnival will be asked to meet with school officials and help decide how this money will be used.

Mrs. Wayne Boswell Named Safety Leaders

Representative Douglas Easters is shown presenting an appointment made by Governor George C. Wallace to Mrs. James Boswell naming her City Chairman, Alabama Association of Women Highway Safety Leaders. The association is a Division of the State Safety Coordinating Committee, Governor Wallace, Chairman and Senator Paschal Vacca of Birmingham, Vice Chairman. The appointment was presented to Mrs. Boswell on October 14th at a meeting of Culver Post No. 42, The American Legion and Auxiliary Unit.

The National Association of Women Highway Safety Leaders is the first and only national women's group solely aimed at promoting traffic safety education and action. Its members work with state Governors and officials to put into practice the National Highway Safety Standards Act.

Representative Easters cited Mrs. Boswell for her record of involvement in civic and community activities stating that she has taught a Bible class in the Junior, Young People and Adult Departments of her church and is a past president of the County Business Women Missionary Society; organized the first class of Red Cross Volunteers in Elba soon after Elba General Hospital was opened; and led the first quota drive of the Red Cross Bloodmobile for Elba. She was Community Heart Band Chairman, Alabama Heart Assn. in 1968 and 1969. She has served on the City Recreation Board since April 1969 and has been County Treasurer, Coffee County Chap-

ter, Alabama Crippled Children and Adults since June 1968. She has membership in the Pea River Historical and Genealogical Society. She has served the Alabama Division of The American Legion Auxiliary as District President two terms, Chaplain; Children & Youth Committee Chairman; Veterans Affairs and Rehabilitation Committee Chairman and was elected State president in July 1970. She is presently the National Executive Committee woman and National Security Chairman of the Alabama American Legion Auxiliary and has been appointed Membership Chairman for the Southern Division by the National President. She is also a member of the Elba Professional and Business Women's Club.

In accepting the appointment, Mrs. Boswell said she became interested in the work of the Women Highway Safety Leaders after being invited to a State Committee meeting in Montgomery last summer at which time Senator Paschal Vacca stated the State would lose thousands of dollars of highway funds unless legislative and administrative actions are taken to comply with the National Highway Safety Program Standards. Alabama ranks No. 14, bottom of the list, in compliance. She also said that it would be a privilege to speak to civic groups in Elba and Coffee County to inform the citizens of needed legislation in this area of state government and to organize classes for Defensive Driver Education for both adults and young people.

County Man Jailed For Taking Girl To Florida

On Thursday afternoon of last week, a 13 year old Elba girl was reported missing from school. She was found later that night in Quincy, Florida, after friends reported that she had left with a man who picked her up about 1:30 p.m. from the school.

The girl told her friends they were going to Georgia. Arrested and charged with contributing to the delinquency of a minor was L. D. Beckworth, about 26 years old, according to Coffee County Deputy Sheriff Neil Grantham and Alabama Highway Patrolman Gaston Tew of Elba. Beckworth was released from the Coffee County jail Monday on a \$500 bond. He is married and the father of two children, according to Grantham.

The law enforcement of-

ficials had released an "all points" bulletin when the girl was reported missing and had included a description of Beckworth's car, a 1958 grey and white Chevrolet. The search was extended to Florida after an Elba auxiliary policeman, Bobby Boutwell, reported seeing a car that fit that description in DeFuniak Springs during the afternoon. Within one hour of this report, officials in Quincy had Beckworth in custody on a no drivers license charge, brought about by their alarmness for a car fitting the description. He was held overnight until Grantham and Tew picked him up on Friday and returned him to the Coffee County jail.

The young girl was picked up by her father shortly after the two were found Thursday night. Beckworth gave investigators an address of Route 2, New Brockton.

Larry Wise Is Serving In Army

Army Private Larry J. Wise, son of Mr. and Mrs. William C. Wise, Route 2, Kinston, recently completed eight weeks of basic training at the U.S. Army Training Center, Armor, Ft. Knox, Ky.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and army history and traditions.

The 19-year-old soldier's wife, Judy, lives on Route 5, Samson.

Veterans Plan Flag Raising November 11

A patriotic flag raising ceremony will be held at 8 a.m., November 11 at the Elba High School. The program is being coordinated by the Local American Legion, Veterans of Foreign Wars and Elba High School. It will be held in front of Elba High School.

Elba's ROTC unit will be in command of the flag raising ceremony and there will be a patriotic address. Commander of the Legion is Bill Faulk and Basil Whitman heads up the VFW. The activities begin at 8 a.m., Thursday November 11.

Surface mail parcels should be mailed by November 5 (Friday) while surface mail Christmas cards should be mailed by November 15.

SAM (space available mail) has a deadline of November 19 and PAL (parcel airtail) has a November 26 deadline. Airmail letters and greetings must be mailed by December 10 to assure Christmas delivery to armed forces overseas.

A stateside package can be mailed by December 1 and get to a stateside address.

Hunger March Is Scheduled For Saturday

A Hunger March sponsored by the youth of Elba will be held Saturday, November 6 at 10:30 a.m. The purpose of the march is to raise money for the needy people of Elba and overseas. Half of the money will go to the Youth Service Fund to be distributed to needy people of the world.

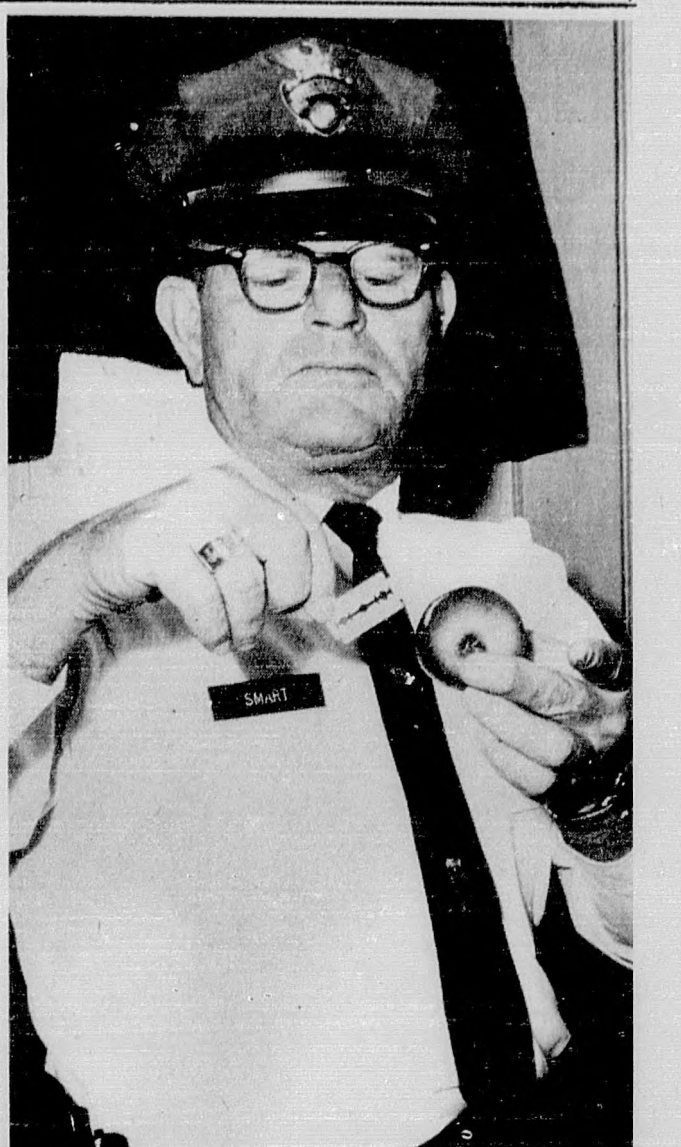

This project is interdenominational and everyone is invited to participate. Each person participating should ask at least one person (more if possible) to sponsor them for each mile they walk. Sheets will be issued for your sponsor to sign. Every one is required to walk five miles and anyone who wishes may walk more. The march will walk in groups of five or fewer in order to abide by the city's safety regulations. The route will be mapped on major highways passing through Elba.

We hope this march will be the success that we know it can and has been in other places.

James Haws With Army At Polk

Army Private James M. Haws, 19, son of Mr. and Mrs. Gerald Haws, Route 2, Brantley recently completed eight weeks of basic training at the U.S. Army Training Center, Infantry, Ft. Polk, La.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and army history and traditions.

Razor Blade In Apple Is Not Much Of A Treat

The Halloween trick of the day (surely not a treat) was this apple with a double edge razor blade embedded in it. This apple was discovered by an alert Elba parent who examined the fruit of her children's neighborhood—trick-a-treating.

Elba police chief Jack Smart (shown above) was strong in his opinion the razor blade was planted in the apple before it was purchased by the innocent parties distributing them to the children. The apples were not purchased in Elba.

Sorry, We Sold All Our Papers Last Week

It is unfortunate when we don't have papers to sell people who come by our office during the week. Never have we been able to determine just how many papers we would sell and at times we sell out. This happened to us last week as the demand far out-classed the supply.

We are printing more papers this week and will attempt to stay ahead of the demand in the future. One way to assure getting your copy of this newspaper would be to purchase a subscription. Then you would get your paper in the mail Thursday morning and would not be concerned with whether or not we sell "over the counter."

Mrs. White Is Among Troy Honor Grads

Among the summer graduates at Troy State University was Gayle White who graduated with the scholastic honor of Cum Laude and was honored at special ceremonies during the graduation exercise. She is presently working in the Data Processing Department.

Mrs. White is the former Gayle Farmer and a 1961 graduate of Elba High School.

Rejoice golf fans, Super Max is back! Lee Trevino, who won three National Open titles in four weeks in July, fired a six-under par 66 Sunday in the last round of the Sahara Invitational in Las Vegas. He came from four shots back for a one stroke victory over George Archer. The \$30,000 first prize check was the sixth one of his kind for Trevino this year, and the victory was the "eighth of his five year career."

In late July, after Lee had won the U.S. Open Canadian Open, and British Open in a span of one month, he underwent an emergency appendectomy operation. Since then, the happy-go-lucky son of Mexican American parents had missed the cut in every one of his four starts. Golf experts were predicting that Lee was through, that he had nothing else to accomplish. Didn't realize it that Trevino feels that if he wins every week, he still would not be getting more than his share. After playing in eleven straight tournaments last summer, he quipped, "As long as they're giving away money, I'll take it and shoot for it."

The reason Trevino loves money so much is that he has nothing to do with his first job. He tried to support a family on the \$32 he made as an assistant pro at a small club in south Texas. He says, "I know what it's like to be poor, and I didn't like it."

Jack Nicklaus has been taking an extended vacation from his home in West Palm Beach, Florida. However, he did take time out to fly to Australia and bring home first prize of \$450 in the Australian Open. It seems as the "Golden Bear" never loses his touch.

Texas Christian University not only lost a football coach but a fine player when Jim Pittman passed away after collapsing on the field Saturday night. Pittman was in his first year at TCU, but brought Tulane from rock bottom to football prominence in 1970.

It is a shame that Florida quarterback John Reagan isn't playing on an winning football team this year. In my opinion, there isn't a better quarterback anywhere. He is an excellent play caller and a very good scrambler, although he doesn't run out the pocket unnecessarily. This places pro scouts, and we can look for Reaves to go very early in the draft.

For Auburn and Alabama fans who may be wondering who will be their superstar when they no longer will have Musso, Sullivan or Beasley to cheer on, look to the freshmen teams, Montgomery's Ralph Stokes should fit right into the Wishbone T offense at Alabama next year. With experience and coaching, Stokes will be a great running back.

The game is in Baton Rouge, which will make some difference in how long Davis must bark signals, but that's the only difference, Alabama 28, LSU 14.

Auburn - Mississippi State: There's not much to be said about this one, except that the Bulldogs won't quit until the final whistle. Look for State to give the Tigers a battle for a while. Then look for Auburn's depth to take over. There should be a good match-up between Frank Dowling, possibly the SEC's premier defensive back, and Terry Beasley, but guess who will win?

Auburn 45, Mississippi St. 12.

The rest: Georgia over Florida Vanderbilt over Kentucky Tennessee over SC, Texas over Baylor Stanford over UCLA Nebraska over Iowa St. Oklahoma over Missouri Michigan over Iowa

BLOODMOBILE TO BE IN ELBA

The Red Cross Bloodmobile will be in Elba next week and Blood Chairman Reverend Jim Auchmuty issued a reminder to the town to all potential blood donors. The Bloodmobile will be set up in the education building of the Elba United Methodist Church, Highland Home.

By the time this goes to press, Elba will have played Goshen and will meet Brantley for a return match November 9th in Brantley. The final game of the season will be in Elba November 15th against Highland Home.

Elba 54, Laverne 8. Needless to say, this is a lot of action packed into 32 minute ballgame.

Elba Loses To Andalusia, 48 - 6

The Elba Tigers journeyed to Andalusia last Friday night with visions of avenging the tie of last year but were shocked 48-6 by the Bulldogs. In spite of the efforts of Flowers and company, the Tigers

Zion Chapel Record Clean After Seven

The Rebels put forth a great team effort in whipping the Ramer Golden Eagles Friday night, 36 to 6. This win will move the Rebels into the top ten in L-A rankings this week.

The Rebels, boasting a perfect record after seven games, have come up with some fine running backs in Eddie Bell, Dutch Flowers, Loshua Boyd and Wilbur Mcendon, but Friday night proved to be the night to pass as Wayne Grant connected six times for 105 yards in the air and three touchdowns.

Larry Doster caught four passes for three TD's and 62 yards. Robert Boyd caught one for 19 yards and a TD. The Rebels began to move and Doster's toe proved true for the win. The overall ground attack showed 169 yards rushing and 43 on 24 attempts.

The big play of the game came when Phil Rugg picked off a Ramer fumble and raced 50 yards for the first touchdown of the night. After this everything the Rebels did seemed to be right.

Offense saw some new faces carrying the ball most of the second half and defense was carried by the younger Rebels for at least a half. This gave some good experience for the upcoming Rebels.

The whole team turned in a good job both on offense and defense against the Eagles. Our hats are off to the whole Rebel team.

This was the last home game for some of the Rebels as seniors this year are: Dutch Flowers, Eddie Bell, Loshua Boyd, Wayne Grant, Larry Harris, Larry Doster, Kenneth Compton, Gary Talbot, Ronnie Kelley, Tommy Cape, Dennis Kelley, Randall Black and Kenneth Compton.

The Rebels went into their sixth game undefeated and came from behind fighting three times to win over the Blue Devils of Natusula, 24 to 22. Larry Doster's toe made possible the winning points as he kicked a 32 yard field goal with 19 seconds left in the game.

Zion Chapel scored first in the opening when Eddie Bell rammed 68 yards for the six points with Doster kicking the point after and the Rebels led 7 to 0 at intermission.

Notasula scored two times in the third quarter to get a first down and punted to the Bulldogs. For the next several plays it appeared the Tigers had settled down to holding the Andalusia team but then the Bulldogs opened up with a reverse that took them down to the Elba 21 yard line.

Andalusia attempted a pass, Ronnie Powell altered it to the 32 yard line. Two plays later an attempted pass by the Tigers was snared by Andalusia after bouncing off the shoulder pads of an Elba Tiger. A long pass got the Rebels into the end zone for a TD. The 2 point conversion attempt was good this time and

Andalusia continued to the problem was not blocked. The second half opened while Andalusia drove that impressive, often downfield on their first drive missing a first down when possession to score again our "See Johnny Run" hero and make the score 29-6. Musso missed on a third in favor of Andalusia.

just could not get moving. Elba's lone score came on a pass from Flowers to Bailey. Elba received the kick-off and returned to the Elba 30. Elba then tried to mix up the plays and after running with it to the 36, Flowers faded back to pass and was thrown for an eight yard loss. Again on a pass attempt Flowers lost back to the 23 yard line and Elba was forced to punt. Jimmy Bailey punted the ball deep, it was fumbled by Andalusia but picked up and returned to the Andalusia 38. On the very first play from scrimmage Andy's Thomas scored on a TD. The Rebels went left on a running play and scampered downfield into the end zone for Andy's first six points.

Willie Tyson blocked the attempt for a two point conversion and Andy led 7 to 0.

The Wage-Price Freeze

Q - My local supermarket has just discontinued its policy of giving out trading stamps. Can they do this during the freeze?

A - Yes, Retail outlets may discontinue trading stamps if they pass on the value of the stamps to their customers in the form of lower prices on their merchandise.

Q - This can be done in either of two ways. Merchants can lower the prices of everything they sell by the value of the stamps, or when you pay for your purchases at the cash register, they can deduct the market value of the stamps at redemption from the prices of those items for which trading stamps would have been given.

If retailers adopt the latter method of passing on the lower prices, they must post in a prominent place in each retail outlet at least one sign (minimum of 30" x 40"), plus a readily visible sign at each cash register, advising customers of the discontinuance of the trading stamps and the reduction in total value of the merchandise they are buying.

Q - Can a landlord require a person to rent or purchase furniture, when it was not his established practice before the freeze?

A - Yes, military pay is subject to the terms and conditions of the President's Executive Order. However, exceptions have been granted for pay for personnel in the combat zone or missing in action, prisoners of war and hospitalized war

of prices charged above the wage-price ceiling. Is this form of compensation permitted?

A - Yes, Teams may offer patrons tickets to future games or other forms of compensation in lieu of a cash refund. However, at the same time, it still must offer the option of a cash refund when the other forms of compensation are unsatisfactory to the patron.

Q - I will be retiring very shortly after 25 years of service and will be eligible for increased pension benefits. Can I still receive these benefits?

A - Employees retiring during the freeze will not be prejudiced by the ceiling. For purposes of computation of their pension benefits, these employees will be treated as though the freeze had not occurred. In your case, you may receive any increment up to retirement even if the completion of 25 years employment occurs after August 15.

However, any additional increments gained prior to the freeze, for the same amount of service, unless an increase in benefits was announced before August 15.

Q - Is military pay subject to the freeze?

Junior Music Club Meets With Miss Marsh

The October meeting of the Junior Music Club was held in the home of Lyn Marsh with Fredene Lee as hostess.

The meeting was called to order by the president, Cecelia Cooper. The minutes were read and the roll called by the secretary, a desert plate was served and the program was presented by Cherrie Clay.

The program consisted of various songs from the

album "Jesus Christ Superstar." The meeting was then adjourned.

Those present were: Cecelia Cooper, Lyn Marsh, Jenny Hamn, Rosemary Kendrick, Fredene Lee, Debbie Moore, Joni Whitehead, Vicky Grantham, Vicki Taylor, Cyndi Stokes, Bobe Bruce, Alice Brunson, Courtney Cannon, Melanie Carney, Cherrie Clay, Judy Lee, Martin, Nancy Taylor and Paula Taylor.

RECOMMENDED

I think it is more important for folks with lawns, gardens, pastures and crops to soil test this year than in any previous year. The reason for this is we probably got between 12-18 extra inches of rainfall this year which could affect nutrients in the soil.

I would certainly recommend that everyone is growing any kind of plants go ahead now as soon as possible and get their samples sent into the lab at Auburn. I tell the people that if they get the samples in, we will do the paper work and get them mailed to the lab. What about giving this top priority in November?

4-H CALVES

Extension agents Dan Presley and J. R. Speed report that we have the finest group of 4-H calves ever being fed out for the county, district and state shows. They worked this past week getting calves identified, dehorned and otherwise prepared for intensive feeding the next several months. The county show is set for early March followed by the district show about the 10th of March and the state show around the middle of March.

Four 4-H Club members visited this past week were Kathy Sims, Susan Sims, Paula Wesley, Tommy Hol-

ley, Tony Carr, Phyllis Wesley, Ed Wesley, Susan Britt, Chip White, Wayne Bullard, Kathy Smith and Maury Coale.

PROTECT CORN

We have made an excellent crop of corn in Coffee County. Folks are interested in storing it and keeping it in good shape. Doing following to protect your corn crop from weevils (1) go ahead and harvest as soon as possible, (2) clean out the storage area, (3) make the storage bin as airtight as possible. An economical way to do this is to use 15-foot felt storm-sheeting, (4) spray inside of the bin with Malathion (1-1-1) of emulsifiable concentrate in 5 gal. of water) or Methoxychlor (1/2 gal. of emulsifiable concentrate in 5 gal. of water).

In dry, shelled grain, protectants work fine. Use 1-1-1 Premium Grade Malathion dust at the rate of 6 pounds per 100 bushels of corn. Mix thoroughly with grain and cap the upper three inches of grain with twice the rate give above. We have full information on this at our office.

BURNING

Our experts at Auburn recommend burning Coastal Bermuda grass to get rid of diseases. A lot of folks have asked about the best time to burn. We recommend that Coastal Bermuda grass and other grasses, too, be burned just before they begin to turn green in the spring.

Burning in this manner will keep a firm from being too big and getting out of hand. In addition to this,

th. have had an opportunity to graze the frost-ter. Incidentally, he-fore you do any burning, get Gordon Drewery in Elba.

Federation Of Women's Clubs Meets In Florala

An announcement was made of the honor roll clubs and state awards were among the highlights of the meeting of the Sixth District Alabama Federation of Women's Clubs, held at the First Baptist Church in Florala Thursday, October 21. Mrs. Roy Rhodes, Jr., of Enterprise, district director, presided.

The invocation was given by the Reverend Fred White, pastor of the First Baptist Church of Florala. Mrs. Merton Reeves, president of the History Club of Florala, officially welcomed the guests. The ladies were in the salute of the American flag by Marty Byrd, Boy Scout Troop 1.

Special guests were Mrs. E. S. Fuller of Montgomery State vice president, and Mrs. R. L. Godwin of Brundidge, State International affairs chairman.

The Florala History Club and Study Club were honor roll clubs. The History Club received two state awards for their outstanding work with blind made goods.

In the business session, Mrs. Fuller talked on reporting. "It is important," she said, "and new reporting forms were distributed and discussed. The nominating committee was appointed and will report at the Spring meeting. They are from Covington County and the next slate of officers will be from the clubs in Covington County. The committee named were Mrs. Grady Williams of Florala chairman, Mrs. John Willoodham of Andalusia and Mrs. J. I. Dick of Opp, committee members.

Mrs. Lewis Eiland, Covington County Chairman, presided at the luncheon in the church fellowship hall. Mrs. A. G. Williams gave

Mrs. Luna Ringo, Mrs. Nellie Martin and Mrs. May Bryan

Spring district meeting to be held in Geneva in April 1972. Mrs. Price Ringo of Elba awarded certificates to clubs which were 100 percent in the cancer isolation unit giving.

The host clubs, History Club and Study Club of Florala, entertained at a delightful coffee in the ladies parlor during the time of registering.

The yearbook prizes in the district were awarded in this meeting. Winners were the Century Club of Opp, first place; Mentor Benson of Geneva for the

place; and the 3-Arts Club of Brundidge, third place. The judging committee was Mrs. Otis Mathis, Miss Helen White and Mrs. Ma-

honey. Special recognition was given to the two new federated Junior Clubs, the Three Season's Study Club of Elba and Dardante Jr. Women's League of Troy.

Those attending the meeting from Elba included Mrs. Nellie B. Martin, Mrs. May L. Bryan, Mrs. Luna Ringo, all of the Three In One Club, and Mrs. Paul King and Mrs. Jimmy Hornsby of the Three Season's Club.

You're talking to a friend on the phone. Suddenly, click -- you're talking to yourself.

What happened? Fuses can blow, electromechanical equipment burn out or a switch may malfunction. If your conversation is interrupted call repair service. Your report will help us find the trouble. And help prevent its recurrence.

However, if your line goes dead we want you to know that a great many disconnects are caused by unpredictable acts of man or nature. For example: a tree falls and takes your phone line down with it;

lightning strikes and burns up your conversation; or a builder excavating a site accidentally pulls up a line cutting off hundreds of calls at once.

Unfortunately these things can and do happen occasionally. When they do our men are out rain or shine, day or night getting your lines back in service as fast as possible.

We know that any interruption in your phone service is a serious matter. For you. And for us. We urge your cooperation, and patience, when an interruption occurs while we strive to get you back on the line.

Rex Helton Comes To New Haven

Rev. James G. Helton of Atmore, has resigned as pastor of Eden Baptist Church, Route 1, Geneva, Alabama. He was there 16 months.

He will begin as pastor of New Haven Baptist Church.

A S C S Answers Questions On Wage Price Freeze

Have you a question on how the current wage-price freeze, announced by the President, affects you or your business?

The Coffee County ASCS Office, open weekdays from 7:30 a.m. to 4:00 p.m., will be glad to answer routine questions or to forward more complicated questions, written, complaints and reports of violations to IRS offices on your behalf.

If you have a question call 894-5802 or write P.O. Box 508 New Brockton, AL, 36351 for answers to your questions of the wage price rent freeze.

Church, Elba, Alabama, November 7, filling the pulpit there the following Sunday.

Mr. Helton is in his third semester at Baptist Bible Institute here, working toward the three-year Diploma in Theology.

Mrs. Helton was Louise Brantley of Atmore. They have two sons, ages seven and two.

The family moves into the New Haven pastorial November 6. Mr. Helton will continue his Bible classes, commuting five days a week.

Alabama's mountains are nowhere near as high as they once were according to Dr. James Connell geology professor at the University of Montevallo. Some 225 million years ago the range trending from Bibb to Jackson County matched the present topography of Idaho.

The Skinner Pipe Organ in the University of Montevallo's Palmer Auditorium is one of the largest instruments of its kind on any college or university campus in the United States.

Elba Band Director Leading District Masters

Bill Hickman, Band Director, Elba High School, has completed his first month as chairman of District VIII of the Alabama Bandmasters' Association. Mr. Hickman was elected to this position during the last summer. By this election, he automatically becomes a member of the Executive Board of the A. B. A. Royce Reagan, Band Director, Geneva High School, served in this position last year and announces the one year term of office of Mr. Hickman.

Mr. Hickman is now serving his second successful year at Elba High School, where his "Marching Tigers" have made appearances across this tri-state area and have set new traditions for Elba. Bill graduated from Troy State University in 1968 where he was an officer in the "Sound of the South" Troy State University Band. Bill was also an officer in a honorary music fraternity, Phi Mu Alpha. He did his student teaching at Lanier High School during the year Lanier's Marching Band won first prize nationally in the Annual Disneyland Band Contest.

Mr. Hickman's first full time job was in Nashville, Georgia where his band was on national television during the Christmas holidays of 1968.

Bill then moved to Elba where the band grew from a few over fifty to a complete band program of elementary band, intermediate band, and performing band, and performing band.

Mr. Hickman's duties will consist of co-ordinating all band activities such as All-State Band, district band contest, state band contest, and solo and ensemble contest.

Geneva Band Director Reagan, says Hickman is the most qualified chairman this district has elected in the last few years. Reagan says this will probably be the best years for bands ever in South Alabama. "Bill will probably do a usual great job," stated Reagan.

Band Boosters To Sell Elba Clipper Subscriptions Soon

The Elba Band Boosters Club will begin next week selling one year subscriptions to The Elba Clipper. The band boosters will receive \$1.00 from each new or renewal they secure for the newspaper.

Clipper Publisher, Fern Cox, noted that individuals who wanted to help the band raise money for their December trip to Atlanta could take this opportunity to do so and get their Clipper for one year, all for the same price. He also noted that citizens who for some reason or other couldn't in good conscience subscribe under the plan, could just donate the one dollar to the band and everyone would be happy.

All subscribers will be limited to one year subscriptions under the plan. Any person who subscribes inadvertently from two Band Boosters will have the extra money returned with the newspaper's and the band's blessings.

Lewey Stephens, Jr. In N.O. Hospital

District Attorney Lewey Stephens of Elba is currently confined to the Baptist Hospital of New Orleans. He was rushed to the hospital Saturday when it was discovered he was bleeding internally. Stephens was placed in the intensive care unit of the hospital and was still confined to the unit on Tuesday. Friends reported, however, that the bleeding had stopped and he would begin test later in the week to determine the cause of the trouble.

Stephens was in New Orleans with his wife to attend a legal seminar and a football game when he became ill.

Mrs. Stephens also told friends her husband had received many nints of blood and it was because of the blood problem in West Coffee County that they had blood available at no extra cost and no replacement requirements. Mrs. Stephens, however, is a gallon donor, having given more than a gallon of blood to the Red Cross Blood Program.

Mrs. Stephens, however, is a gallon donor, having given more than a gallon of blood to the Red Cross Blood Program.

Mrs. Stephens also told friends her husband had received many nints of blood and it was because of the blood problem in West Coffee County that they had blood available at no extra cost and no replacement requirements. Mrs. Stephens, however, is a gallon donor, having given more than a gallon of blood to the Red Cross Blood Program.

Shiloh Church Tells Of New Programs

Shiloh Baptist Church is making plans for its 120th Anniversary on Sunday, November 21st. This will be a special day with dinner on the ground. However, the celebration has already begun with the building and relocation program. They plan to relocate the church on a site north of its present site on the Kinston Highway. In their plans they will not only build a larger church, but plans are included for a youth and family recreational center with tennis courts and baseball fields to take care of the needs of the youth. Also plans include a Christian Day School including a elementary and high school. It is hoped the elementary school can open in September 1972 and the high school in the fall 1973.

Rev. Auburn Hayes, the pastor, has worked with the Baptist State Convention of Texas in building Baptist Service Centers. Rev. Hayes has been instrumental in establishing Christian Day Schools in Texas, Florida, and North Carolina and Virginia.

Troopers of the Dothan district investigated 175 rural traffic accidents with 105 injuries and 9 fatalities through 12 midnight Sunday. These occurred in the following counties, 4 in Walker and 1 each in Fayette, Dale, Chambers, Elmore and Calhoun Counties.

These accidents bring the number of people killed in rural Alabama traffic accidents this year to 707 compared with 729 killed during the same period last year for a decrease of 22 fatalities.

Bus Donated To Elba Church

A new bus has been given to the First Baptist Church of Elba to be used exclusively for programs sponsored by the church.

The bus is a gift from Mrs. Claude Dorsey of Elba and Mr. and Mrs. C. E. Dorsey, III and children of Enterprise in memory of Mrs. C. E. Dorsey, Sr., long-time faithful member and benefactor of the church.

Manufactured by Blue Bird, the vehicle has a capacity of 40 adults or 60 children and is equipped with special safety features.

Dedication services for the bus were conducted on Sunday, November 7.
